- Lease Purchase Financing

Consider Lease Purchase Financing to Acquire New Equipment and Ease Budget Constraints.

Municipal Services Group, Inc. (MSG) is determined to help your School District overcome restraining budget cuts. We can provide the financing you need to purchase ALL of the equipment you need NOW. For instance, if you need 10 new school buses, but only have

the budget for 1, we can help you purchase the remaining buses AND stay within your annual budget. With experienced professionals in seven locations across three states MSG has the breadth of experience that comes from completing over \$1 Billion in transactions for over 2,500 municipalities.

advice and planning

We take a team approach to advising clients on the right financing strategies and developing a sound plan for your School District.

MSG goes beyond providing tax-exempt financing to really listen to your needs and to provide sound advice. The MSG team brings years of professional financial experience to address your needs. We can offer a wide variety of financing structures to meet your particular situation, including terms up to 20 years with flexible payment schedules and 100% financing (WAC).

managing and understanding

We provide useful advice and a unique, integrated approach that can help you manage your budget dollars to achieve your School District's financial goals.

Unlike other entities that deliver financing, a member of the MSG team will work with you step-by-step throughout the entire financing process, from first contact to the time that you make your last payment and beyond. We will always provide you with the advice and service you need.

calculating and forecasting

Having an indepth understanding of your needs and goals is a fundamental process to the way we work with you.

MSG provides a number of unique services to investigate your particular financial situation. This in-depth investigation will help you decide what is best for your School District. Furthermore, the services and financing that MSG provides can improve your annual budget and provide you with much-needed funds for other projects.
